1) Around 8 weeks of age, the breeder will have the litter structure and temperament tested. After testing, breeder will offer specific puppy or a choice of puppies to purchaser. Order of deposits may be a consideration of puppy placement, however other considerations, such as temperament, structure, drive, etc., will be given much higher priority. Partnership/co-own families will also be given higher priority as very few (if any) pups will qualify for our program at this time.

2) The purchaser/depositor must exercise the option to purchase puppy by 8 weeks and pick up the puppy at that time (or meet breeder), unless other arrangements are made. If full payment is not received or arrangements made when the puppy is chosen or by 8 weeks, the pup will be considered available and holding fee will be forfeited unless breeder agrees to hold longer. If breeder chooses to return holding fee, breeder is released from all obligations to purchaser. Or fee can be carried over to another litter in the future. Balance is due in cash or cashier's check!

3) The purchaser assumes all expenses of receiving the puppy (crate, shipping, etc.) Purchaser is welcome to come pick up the puppy or the breeder may meet with the puppy with possible fuel expense added. Other arrangements may be available through 74 Ranch upon request. We are no longer flying puppies in cargo, they must be in-cabin by yourself/friend/family or a flight nanny. We make 1 trip per litter to Colorado (Denver International Airport or Longmont area). This is a 3 hr trip 1 way for us so if you cannot schedule for this date there *may be* a \$50 fee for meeting you in Colorado.

4) No purchase shall be complete unless and until both purchaser and breeder sign purchase contract. **Balance is to be paid in cash or cashier's check.**

5) The breeder reserves the right to decline to sell a puppy to purchaser for any reason. Unless misrepresentations have been made by purchaser the holding fee will be refunded (see #6)

6) The holding fee will be refunded unless: A) Purchaser has made misrepresentations to the breeder so breeder chooses not to sell a pup to purchaser or B) Purchaser changes their mind and decides not to purchase for any reason and/or there was a puppy matched for them or C) Purchaser does not pay for

the puppy by 8 weeks old unless other arrangements are made. The deposit is refundable if breeder cannot get you a matched puppy (on personality) from the litter(s) chosen above or it can be carried over to a later litter (up to 18 months later). If you choose to have the holding fee refunded and want a pup from a later litter you may lose your place in the order of availability. *This holding fee can be forwarded for 2 years.*

7) We will register all pups with AKC as Miniature American Shepherds and register your Microchip – you will need to write a separate check for \$35.00 for that at pickup. We will name the puppy for registration papers if you do not send us a name within 1 week of pick-up.

8) Health guarantees are listed in purchase contract. For the safety of the pups we give a Parvo shot around 8 weeks and Distemper within 3 days of that – No 5 way vaccinations (unless requested prior).

Purchaser: 1) Understands the adult height of puppy cannot be guaranteed. Some of the puppies from these litters may fall into the lower size of a Mini (13-15”) or the lower size of a Standard Australian Shepherd (18-20”) as an adult and agrees to keep puppy whether it’s under or over the Mini size. 2) Purchaser will fulfill contract whether purchasing a pet/companion or a breeding puppy.
